Series Memory Verse: “Give thanks to the Lord, for he is good; his love endures forever.” Psalm 107:1

Ollie starts his summer off at his aunt and uncle’s house on the lake. Although this sounds like a lot of fun, Ollie is not too sure about it. His negative, ungrateful attitude blinds him to all the incredible things God has planned for him. God uses Nigel, the butler, to open Ollie’s eyes to the importance of being grateful no matter what! As we dive into different Bible stories we will see different people who face situations where they could have been negative but CHOOSE to be positive.
